## Narrow Stile CodeLock CL0460 Range

### Narrow Stile CodeLock for Aluminium doors

The narrow stile CodeLock is an affordable alternative to electronic keypads, electric strikes, magnetic locks and other systems used on aluminium framed doors. There have been limited mechanical digital lock options for this market, until now.

CL0460

The narrow stile CodeLock is a medium duty mechanical CodeLock suitable for use with aluminium doors. The lock is ideal for new or retrofit applications. Designed to be retrofitted to Adams Rite or similar style ANSI round cylinder mortice deadlatches. As usual CodeLocks have designed the product so everything required to fit the lock to the door (including cams) is in the box, making ordering and fitting very easy.

Available in PVD finish
