Opening the Lock.

Key Fob

Key Card

Phone Tag

APP

Lock App.

- Free Bluetooth App that speaks directly to the lock

- Works within a 2m range

- No need to open the App to un-lock the door

- App does not work remotely
 (require lock to be linked to a smart home system to do this)

ASSA ABLOY

Lock App.

Twist and Go

Twist your phone 90 degrees to unlock your Lock
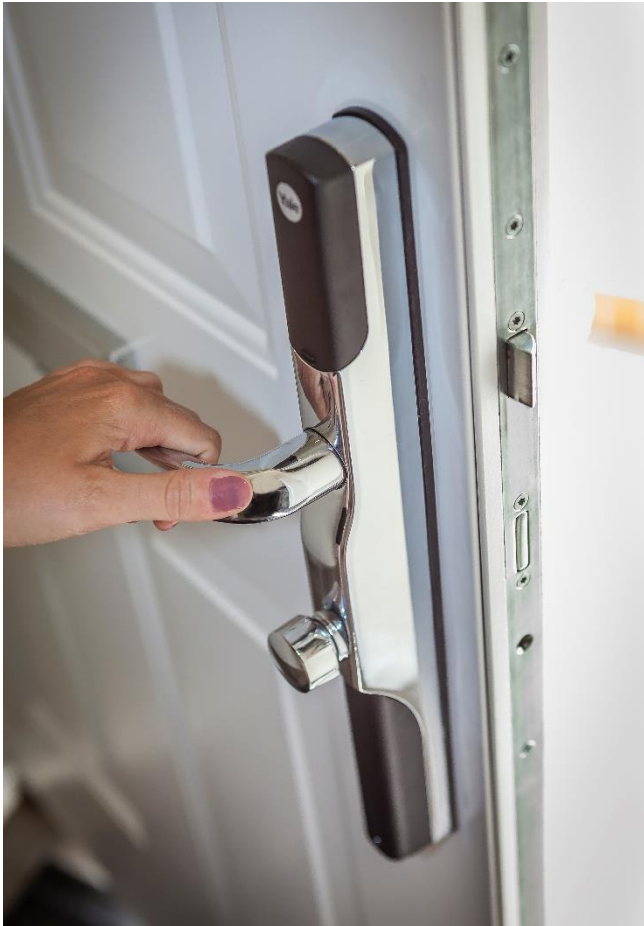

ASSA ABLOY
