

MULTI-FUNCTION LOCKS AND PATIO DOOR LOCKS

PATIO DOOR LOCK

Patio Door Lock

The **ERA Patio Door Lock** can be fitted to most types of metal, wood and PVCu patio doors including those that slide on the inside or outside track.

Simply press the spring bolt to lock - the key is only required to unlock. All fixing screws are concealed when locked.

The hardened steel pin in the bolt resists hacksawing. Patio Door Locks are supplied with a ferrule to finish the drilled door frame.
